yourselves, satisfied yourselves as to need in the 11th for the district judge and as to need in the 4th for the juvenile judge. The need is clear. The question now is, are we going to act now or are we going to defer to another year? Thank you.

SPEAKER KRISTENSEN: Senator Robak. I'm sorry? The question has been called. Do I see five hands? I do. The question before the body is, shall debate cease? All those in favor vote aye; all those opposed vote nay. Have you all voted? Please record.

CLERK: 31 ayes, 3 nays to cease debate.

SPEAKER KRISTENSEN: Debate ceases. Senator Cudaback, you're recognized to close. He yields his time to Senator Suttle to close. Senator Suttle.

SENATOR SUTTLE: Thank you, Mr. President. I will start closing. I guess this is like a debate. He gets to start the opening; I get to start the closing. Only this is a friendly debate because we're trying to help each other. And I just...I just want you to realize that just because the Governor didn't put this in his budget doesn't mean it's not needed. It is. I don't believe that the Governor's Office thought of everything that is needed in this state in just his budget. There's 49 of us. Surely we know of some needs that...of which he is not aware. And apparently Senator Cudaback and I knew because our judges asked us to carry these bills and I would really appreciate it if...if you would override his veto on this, only because he didn't know, the Governor didn't know. He can't know everything about everything, nor can his staff, and I would urge the body to think carefully. Senator Beutler mentioned to me, and since Senator Cudaback is going to take half my time I will quote Senator Beutler for the body, if he doesn't mind, that he said that the 11th District does need another judge. That wasn't his point. But I do want everyone to know in here that the juvenile judge bill would have...which was LB 219, would have been my priority bill if it had not been put with Senator Cudaback's bill. I feel very strongly about this. The Douglas County juvenile judge need another judge and the commission agrees that they do. And for the remainder few minutes I will give to Senator Cudaback.
